English Version

COMPANY PROFILE NORIGO INDONESIA

Norigo Indonesia is a progressive and dynamic company established in 2022, specializing in the production of high-quality nori-based products. Our main products include sushi nori, nori flakes, nori snacks, nori powder, and onigiri. We have quickly built a strong presence in the Indonesian market, with Japanese restaurants and major franchises as our valued clients.

Our commitment to excellence and customer satisfaction is unwavering. We collaborate with major distributors to ensure our products are available throughout Indonesia, from Aceh to Papua. Our dedication to producing only the highest-quality products is supported by extensive expertise and industry experience. We utilize the latest technology and advanced equipment to ensure that every product meets the highest quality standards.

At Norigo Indonesia, we believe our success is built on the quality of our products and our commitment to customer satisfaction. We are proud to represent the finest quality nori-based products in Indonesia and look forward to continuing to serve our valued clients with excellence and integrity.
